NOTICE! You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association. **NOTE:** The court has a statutory lien for waived fees and costs on any settlement or arbitration award of \$10,000 or more in a civil case. The court's lien must be paid before the court will dismiss the case. **AVISO!** *Lo han demandado. Si no responde dentro de 30 días, la corte puede decidir en su contra sin escuchar su versión. Lee la información a continuación.*

Tiene 30 DÍAS DE CALENDARIO después de que le entreguen esta citación y papeles legales para presentar una respuesta por escrito en esta corte y hacer que se entregue una copia al demandante. Una carta o una llamada telefónica no lo protegen. Su respuesta por escrito tiene que estar en formato legal correcto si desea que procesen su caso en la corte. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California (www.suerte.ca.gov), en la biblioteca de leyes de su condado o en la corte que le quede más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes sin más advertencia.

Hay otros requisitos legales. Es recomendable que llame a un abogado inmediatamente. Si no conoce a un abogado, puede llamar a un servicio de remisión a abogados. Si no puede pagar a un abogado, es posible que cumpla con los requisitos para obtener servicios legales gratuitos de un programa de servicios legales sin fines de lucro. Puede encontrar estos grupos sin fines de lucro en el sitio web de California Legal Services, (www.lawhelpcalifornia.org), en el Centro de Ayuda de las Cortes de California, (www.suerte.ca.gov) o poniéndose en contacto con la corte o el colegio de abogados locales. **AVISO:** Por ley, la corte tiene derecho a reclamar las cuotas y los costos exentos por imponer un gravamen sobre cualquier recuperación de \$10,000 ó más de valor recibida mediante un acuerdo o una concesión de arbitraje en un caso de derecho civil. Tiene que pagar el gravamen de la corte antes de que la corte pueda desechar el caso.

INSTRUCTIONS ON HOW TO COMPLETE THE COVER SHEET

To Plaintiffs and Others Filing First Papers. If you are filing a first paper (for example, a complaint) in a civil case, you must complete and file, along with your first paper, the *Civil Case Cover Sheet* contained on page 1. This information will be used to compile statistics about the types and numbers of cases filed. You must complete items 1 through 6 on the sheet. In item 1, you must check one box for the case type that best describes the case. If the case fits both a general and a more specific type of case listed in item 1, check the more specific one. If the case has multiple causes of action, check the box that best indicates the primary cause of action. To assist you in completing the sheet, examples of the cases that belong under each case type in item 1 are provided below. A cover sheet must be filed only with your initial paper. Failure to file a cover sheet with the first paper filed in a civil case may subject a party, its counsel, or both to sanctions under rules 2.30 and 3.220 of the California Rules of Court.

To Parties in Rule 3.740 Collections Cases. A "collections case" under rule 3.740 is defined as an action for recovery of money owed in a sum stated to be certain that is not more than \$25,000, exclusive of interest and attorney's fees, arising from a transaction in which property, services, or money was acquired on credit. A collections case does not include an action seeking the following: (1) tort damages, (2) punitive damages, (3) recovery of real property, (4) recovery of personal property, or (5) a prejudgment writ of attachment. The identification of a case as a rule 3.740 collections case on this form means that it will be exempt from the general time-for-service requirements and case management rules, unless a defendant files a responsive pleading. A rule 3.740 collections case will be subject to the requirements for service and obtaining a judgment in rule 3.740.

To Parties in Complex Cases. In complex cases only, parties must also use the *Civil Case Cover Sheet* to designate whether the case is complex. If a plaintiff believes the case is complex under rule 3.400 of the California Rules of Court, this must be indicated by completing the appropriate boxes in items 1 and 2. If a plaintiff designates a case as complex, the cover sheet must be served with the complaint on all parties to the action. A defendant may file and serve no later than the time of its first appearance a joinder in the plaintiff's designation, a counter-designation that the case is not complex, or, if the plaintiff has made no designation, a designation that the case is complex.

GN-1. Plaintiff (name): Juana B. Martinez as an individual and as the Successor-in-interest to the Estate Of Dionicio Santillan, Luisa Patgher, and Maria E. Santillan

alleges that defendant (name): Kaweah Delta Medical Center, Operated by Kaweah Delta Health Care District, Gregory Warner MD

Does 1 to 10

was the legal (proximate) cause of damages to plaintiff. By the following acts or omissions to act, defendant negligently caused the damage to plaintiff

on (date): April 14, 2018 - Negligence was discovered after 9/26/2018.

at (place): Kaweah Delta Medical Center, 400 W. Mineral King Ave, Visalia, CA 93291

(description of reasons for liability): This cause of action incorporates the foregoing allegations in this complaint.

On or about April 14, 2018, Dionicio Santillan coded at Kaweah Delta Medical Center (KDMC) and died of respiratory failure. Mr. Santillan was in respiratory distress for at least 24 hours. Despite numerous requests by his family for him to have his asthma inhaler, staff erroneously ignored those requests, informing family that Mr. Santillan was in fact not in respiratory distress but instead had anxiety. Staff told family that his breathing was part of his "disease process."

Staff told family that they were treating Mr. Santillan with Ativan for his anxiety. This was an error and lack of skill, training, and/or assessment by the Hospital staff, Nursing staff, and treating physicians. This error was not discovered until after Mr. Santillan coded but never revealed to family.

Mr. Santillan suffered greatly for at least 24 hours before his death because he did not receive his inhaler or other measures to help him breathe. In the end he was gasping for air and staff initiated Code Blue measures. This included chest compressions, electro-cardioversion, intubation, and emergency medications causing him additional pain and suffering as a result of not proactively managing plaintiff's respiratory needs.

On or about September 26, 2018 the California Department of Public Health completed an investigation survey and sent notice to Mr. Santillan's family notifying them that they found hospital staff to be deficient in planning and implementing care and in administering asthma medications to Mr. Santillan.

As an actual and proximate cause of defendants breach of their duty to provide medical and nursing care at the applicable standard, plaintiff suffered substantial damages. Plaintiff was forced to endure physical, mental, emotional pain and suffering, and subsequently death because of the defendants negligence in an amount to be proved at trial.

ATTACHMENT (Number): <u>1</u>	

Plaintiff is informed and believes that KDMC, directly and vicariously through its staff, breached the applicable standard of care, with which it was duty-bound to comply, and caused decedent's injuries as a result of the following: KDMC failed to take adequate precautions to assure that the plaintiff would not enter severe, damaging, and deadly respiratory distress, and the staff of KDMC were also negligent during the administration of care (or lack of) in assessing, monitoring, reporting, preventing, and treating his respiratory distress and failure.

Plaintiff is informed and believes that Dr. Warner, directly and vicariously through his staff, breached the applicable standard of care, with which he was duty-bound to comply, and caused decedent's injuries as a result of the following: Dr. Warner failed to take adequate precautions to assure that the plaintiff would not enter severe, damaging, and deadly respiratory distress, and the staff of Dr. Warner also were negligent during the administration of care (or lack of) in assessing, monitoring, reporting, preventing, and treating his respiratory distress and failure.

Plaintiff is informed and believes that DOES 1-10 breached the applicable standard of care, with which they were duty-bound to comply, and caused decedent's injuries as a result of the following: DOES 1-10 were the agents or employees of the other named defendants, or provided negligent health care in concert with the named defendants that contributed to the plaintiff's damages. (description of reasons for liability):

This cause of action incorporates the foregoing allegations in this complaint.

On or about April 14, 2018, Dionicio Santillan coded at KDMC and died.

Mr. Santillan was in respiratory distress for approximately 24 hours. Despite numerous requests by his family for him to have his asthma medications, staff erroneously ignored those requests and informed family that Mr. Santillan was in fact not in respiratory distress but instead had anxiety. They were erroneously told by staff that his breathing was part of his disease process.

Staff told family that they were treating Mr. Santillan with Ativan for his anxiety. This was an error and lack of skill, training, and/or assessment by the Hospital staff, Nursing staff, and treating physicians. This error was not discovered until after Mr. Santillan coded and never revealed to his family.

Plaintiff's Juana B. Martinez (Dionicio's mother), Luisa Patgher (Dionicio's Sister), and Maria E. Santillan (Dionicio's Sister) were forced to watch Mr. Santillan gasping for air, collapse in his sister Maria's arms, and then watch staff emergently administer chest compressions, electro-cardioversion, and intubation, as they "Coded" him. Family then sat outside his room weeping and in shock as his last moments on earth were unnecessarily spent in agony.

As an actual and proximate cause of defendants' breach of their duty to provide medical and nursing care at the applicable standard, plaintiff's suffered substantial damages. Defendant's reckless below standard care caused plaintiffs to witness their son and brothers' horrible death.

Plaintiff's experienced suffering, anguish, fright, horror, nervousness, grief, anxiety, worry, shock, humiliation, and shame because of the defendants negligence in an amount to be proved at trial.

(This Attachment may be used with any Judicial Council form.)

Plaintiffs are informed and believe that Dr. Warner breached the applicable standard of care, with which he was duty-bound to comply, and was a substantial factor in causing plaintiff's to perceive the death of Decedent, Dionicio Santillan as a result of the following: Dr. Warner failed to assess and ensure that the decedent was provided with his asthma medication and other interventions to prevent and reverse his respiratory distress and failure. This caused Santillan to be "coded" in front of the plaintiffs who each suffered severe and serious emotional distress.

Plaintiff is informed and believes that KDMC, directly and vicariously through its staff, breached the applicable standard of care, with which it was duty-bound to comply, and was a substantial factor in causing plaintiffs to perceive the death of Decedent, Dionicio Santillan as a result of the following: KDMC failed to take adequate precautions to assure that the plaintiff would not enter severe, damaging, and deadly respiratory distress; and the staff of KDMC also was negligent during the administration of care (or lack of) in assessing, monitoring, reporting, and treating his respiratory distress and failure. This caused Santillan to be "coded" in front of plaintiffs who each suffered severe and serious emotional distress.

Plaintiff is informed and believes that DOES 1-10 breached the applicable standard of care, with which they were duty-bound to comply, and were a substantial factor in causing plaintiffs to perceive the death of Decedent, Dionicio Santillan as a result of the following: DOES 1-10 were the agents or employees of the other named defendants, or provided negligent health care in concert with the named defendants that contributed to the plaintiff's damages.
